A Brief History of the Ilers

On September 15,1729, Conrat (also spelled Conrad)Iler with his family arrived in Philadelphia, Pennsylvania. They had boarded the ship "Allen", along with a total 129 Palatinates,sailing from Rotterdam,Holland.

The family had its origin in medieval times in Basel, Switzerland,and spelled the name Euler. They migrated down the Rhine into the Palatinate and the German spelling became Eiler. In 1790, several families from Plum Creek, a stream in Hanover,Pennsylvania, migrated to Grosse Isle (Detroit), Colchester Township,Upper Ontario,among them Valentine Eiler and his wife,Susannah Snider. Their son Jacob, about 20 years old,married Elizabeth Snider before going to Canada.Jacob crossed over the frozen river at night to escape from the British who did not permit any moving at the time. With him he brought his six children who were born on the island and his belongings,animals,etc.,they crossed over into Amherstburg and then went to lot 37 on Lake Erie where Descendants still own the land.

Jacob Iler and his wife,Elizabeth Snider, settled here in 1810 on Lot 37. He later willed his farm to his son Jacob Jr., in 1843. In 1877 it was purchased by William Wright.He in turn willed it to his second oldest daughter, Winnie Lorinda Wright who married Edgar Iler. Their son Earl Bruce inherited the home in 1967.The old Colchester Baptist Church was built im 1882 and located west of the present Iler Cemetery and adjacent to Alvin Laramie's present farm.This building was torn down in 1943.William Wright sold a portion of Lot 37 for the Iler Cemetery,March 14,1883.There are four generations buried in the Iler Settlement- Iler Cemetery(Jacob IlerIII, Solomon Iler,I-Solomon Iler,II,-Lewis Iler.)His daughter Edna Mildred is also buried in the same cemetery.Which in 1984 is five generations.

There is a book written in print titled "The Eiler,Eilar,Eyler,Iler,Oyler and Associated Families.Written by John S. Eilar.

This information and the following information have come from different sources,including the book by John S. Eilar,booklet by Robert Lawrence Iler, and from some files of the Heir's Harrow -Early Research Society, Historical Files.

During and previous years to the Revolution, the Indian Tribes inhabiting southern Michigian, Ohio and western Pennsylvania, had indulged very extensively the habit of capturing white children and youth, for adoption into there tribes. Though in to many cases the captives fell victims to tomahawks, impelled by capricious tempers, while but a few comparatively were spared to effort their escape to civilization. These escapes were sometimes effected by stealth and sometimes by purchase, by a man trading furs and articles of barter for the release of these victims.
Most pioneers came from Pennsylvania to Colchester and the area.The progenitor of the Canadian branch of the Iler family was named Jacob, who removed from southern Pennsylvania to Grosse Isle in 1790, and there remained till 1808, when he became a settler in Colchester on lots 38 & 39, which have remained in the possession of members of the family until recently sold. On his arrival his family included his son David, Solomon, John, the latter who is still living with a son in the locality of his orginal settlement. This family has been closely identified with the improvement and development of this section of Colchester, and at least one son of the gentleman last named, Mr John Iler, now residing on lot 45 Lake Shore, has been long and creditabily connected with the administration of muncipal affairs in the township,Filling the Reeveship during a long successive period, and serving one year in the Warden's chair.

ULCH – We cannot allow the passing of Mrs. Philemon Ulch (nee Edna Mildred Iler) to pass without expressing our sincere admiration for her many sterling qualities.

She endeared herself to everyone she met by her kind, gracious manner and her charming personality.

One had but to see her beaming countenance to know that she was at peace with God and with the world at large and as so many have said of her she was the typical mother and grandmother, kind, thoughtful, loving and generous.

She was always a home loving woman and her greatest joy was in her home and in her family.

The constant stream of people who called at the Funeral Chapel — the large attendance at the last funeral rites and the many beautiful floral offerings were mute evidence of the love and esteem in which she was held in the community where she had spent her whole life.

We have often remarked that people express in their countenance the kind of life they have lived. How true this was of Mrs. Ulch. When she reached her three score and more years her fine features and color were only a little dimmed by her years of activity and fulfillment. Her every feature seemed to say "I have given my best to life" as indeed she had and life had dealt very kindly with her.

And now she has passed to that Better Land leaving a sweet memory that her husband and children will carry with

(86)

ULCH – cont'd them down through the years.

It is women like Mrs. Philemon Ulch who remain an inspiration even after death to those who had the good fortune to meet her and know her.

The tenderest of human sympathy is extended to the bereaved husband and family by the people of Harrow and vicinity at this sad time of separation.

Died April 11, 1959

****

The Following is from John Eiler's Book, it was written by himself, his book: The Eyler,Eiler, Iler & Oyler Families.

I am greatly indebted to Edna Ulch for her help in obtaining the names and dates of the Iler branch of our family. It was she who in the early years of searching for data after the family relation had been established, who obtained many of the names and data used on the Jacob Iler Decendants.
I visited Edna and her family in 1936 at which time she introduced me to many of the Ilers in the community and accompanied me in searching cemetries for data.
I met Lewis Iler (her father) who gave me some interesting information on this family.
Lewis confided in Edna "that he thought I would be alright if I didn't use so much unnecessary language". I was aware of his religious character and though I behaved very well however I did say "darn" a couple of times.

A BRIEF HISTORY OF THE ULCH FAMILY

It is believed that Henry Ulch is the same person listed as,the child of Andrew Ulch I, andMary Ann Ulch who resided on lots in Essex County in 1794.In MaryAnn's will she refers to Joseph also who is refered to as Henry Joseph, or Joseph Henry.The family is of German decent, and most are buried together in the Pearl Street Cemetery, in Kingsville. The following pages list more on the family.Henry was born in the year 1809. He married Susan Fox, daughter of Adam Fox and Mary (Snider). The Fox family lived in Kingsville at the time. Susan Fox was born in 1811. The spelling of the name changed through the years, as did other names. Andrew(Alcock)Ulch was a holder of land in 1794.That is when he first came to the area.The settlers looked for their living to farming,rather than to industry or fur trade.In the area settlers came across the lake, and Detriot River with their canoes filled with grain.So it is not surprising that the settlers in the Kingsville area district in 1793 were so anxious to see the Mill Creek area granted to Andrew Alcock, (Ulch), for he was a miller.The land board on November 29,1793, was presented with a petition from Andrew Alcock(Ulch) for leave to erect a grist mill on a spot of land on Mill Creek in the new settlement, Lake Erie.Mr Ulcock, as he was sometimes called, was supported in his petition by most of the respectable inhabitants, representing the distress they are in, and praying that a mill seat be granted to Andrew Ulcock who is a miller.The board granted him Lot 1 with a small tract of vacant land supposed to be about 25 yards in breadth, for the purpose of building a mill on, for the benfit of the settlement.Other references to Andrew Ulch, as we know him indicate the spelling of his name to be Ulcock,Ulish,Olch, and Ulch.He must in fact built the mill otherwise he would not have recieved his patent for Lot 1 which patent was issued on September 1,1797. He sold the land to Charles Stewart by deed dated December 1815.Henry Ulch and Susan Fox were married prior to 1833.They had six children.Henry and Susan Fox are buried in the Pearl Street Cemetery in Kingsville, the same as Andrew and MaryAnn Ulch.Their fifth child,Daniel Ulch, married Salome Woodiwiss, who was from the same area.Her family lived in Northern Michigian for some time before coming to the area,Essex County.Daniel Ulch was freeholder of lot 15,concession 3 in Colchester Township in the years 1883-1884.It is not known at what year he purchased it, or owned it.It is said that it remained in the Ulch family for some years.Daniel and Salome Ulch had eight children, their seventh,Philemon Ulch lived on lots 3 & 6, on the Pot Lake Road, which now is known as the Gore Road, in Colchester South Township. He married Edna Iler, daughter of Lewis and Barbara Iler of Colchester. They lived in the area the remainder of their lives and are buried in the Iler cemetery.Their youngest child Mildred Delight Ulch married in 1950 to Roger Francis Heyrman, son of Louis and Marie Heyrman of the Gesto area.They lived on the south malden road also known as Gesto Rd., they had four children.Their third child Gary Roger married Jo-Anne Rivait, from the Essex area.They had a son named Joseph Gary Heyrman, which brings us to the seventh generation in the Ulch decendants. The following is broken down, underlined in each generation.Also is a map of the 1881 year, where you can point out the land and families.

Excerpt's from the Book
Historical Atlas of Essex & Kent Counties
by: H. Belden & Co.,
Toronto,Ontario, 1881
reprint of orginial 1973

It showed in this book that in the year 1881, Daniel Ulch was a freeholder of lot 13 on the 3 concession. In the Colchester area, Now known as Colchester South Township. His father by this time had passed away.His address at the time was Harrow.
Andrew Ulch, who lived in Gosfield Township was also a freeholder of lot 7 on the concession 1. He was the son of Andrew Ulch and Mary-Anne, who died in March 22,1849.
John Ulch, also of Kingsville,Gosfield Township, was a freeholder of lot 11 on the concession 4. He is the brother of the above, Andrew Ulch.

Andrew Ulch I, was listed as a holder of farm lots in Essex Co. in 1794, also spelled (Alcock). His lots were west of Mill Creek.He never left a will but his wife Mary-Anne left one. In her will she listed nine children,Andrew,Hannah Linter,John,Jacob,George,Joseph,Catherine,Mary and Barbara. A daughter Elizabeth was not mentioned as she died before her mother.It is not known for sure but it is believed that Andrew and Henry were related.Andrew's fifth child Joseph is and was known as Henry Joseph, so he in fact could be the Henry Ulch who married Susan Fox. As the children listed in the will were not in order, as age goes. The children are, not in order:
